Our Week in Review

This week our Bible story was Jacob's ladder Genesis 27:42-45, 28:10-22. Ask your child where Jacob laid his head? (On a rock) Who was in Jacob's dream? (Angels and God) What were the angels doing? (They were going up and down a large staircase or ladder) What is something God said in the dream? (He said, "I am the Lord." I am with you and will watch over you wherever you go.") What did Jacob say when he woke up? (The Lord is in this place.) What did Jacob do with the rock he slept on? (He set up the rock as a memorial, a reminder of God's message. Jacob thanked and praised God)

HOMEWORK

Don't forget to help your child create a spider this weekend and bring it to school on Monday.

Halloween Party

Parents are invited to join their child on Wednesday, Oct 29th at 8:30am to spend the day visiting centers and spending time with your child.

Children can bring their costumes and put them on after Chapel. (Please no scary costumes weapons or masks that restrict visibility) You can also bring a wrapped treat for your child to pass out to friends if you wish.

I will also be emailing a sign up genius for our class party.

I look forward to a fun filled day on the 29th

Our focus letter was letter 'P'.

We looked at our focus letter picture and poem to learn that the following begin with the letter 'P': pillow, panda, party, pizza, play, penguin, Pete, and popcorn.

Math Fun

This short week we worked on counting objects and number recognition. The children are working hard on recognizing numbers 1-10.

Pumpkins

We have begun to learn about pumpkins. We read a book called Pumpkin Pumpkin by Jeanne Titherington and Mrs. McNosh and the Great Big Squash by Sarah Week.

Healthy Snacks

Thank you so much for providing all the children with healthy snacks. We have had a variety of yummy food and drink items provided. I have to say that you all have been following the healthy food recommendations very well. Thanks again for your support!
