## Our Bible Story in Review

This week we learned about Moses and how he helped the Israelites cross the Red Sea. Exodus 14:21

Questions you can ask your preschooler are: Who was leading God's people out of Egypt? (Moses) What did Moses do when they had the Red Sea in front of them and Pharaoh's army behind them? (Moses raised his hand over the sea) What happened to the water? (The Lord made it part so his people could walk to the other side) What happened when God's people got to the other side of the Sea? (Moses raised his arm again and the sea went back) What happened to the army that was chasing the Israelites? (They were washed away) What did God's People do? (They rejoiced because He saved them)

## Thank You!!

Thank You for all the Christmas wreath orders!  
We sold 51 wreaths!!

## Homework

Last call for homework!!  
Our Turkey in Disguise bulletin board is looking good! Please send in your turkey on Monday!

We are also in need of Thankful Feathers!! If you have not completed yours please have it ready to return on Monday as well.

Have a great weekend and Good Luck to all the hunters!

## Our focus letter was letter

'O'.

We looked at our focus letter picture and poem to learn that octopus, otter, organ, orange, ostrich, ox and ocean all begin with the letter 'O'.

## Art

We used bubble wrap on our play dough rolling pins to create the feathers for our turkeys that are hanging in the classroom. We also painted at the easel and used misc. materials on the art shelf to create with.

## Thanksgiving Songs

The children are really enjoying our Thanksgiving songs. The two we have been singing the most are: 1 Turkey 2 Turkeys and 5 Fat Turkeys. Ask your preschooler to sing them for you. I'm sure they would love to share them with you if they haven't already!

## Small Group

We have been focusing on cutting this week for our small group time. We cut out our focus letter as well as our turkey body parts. This is an important skill and I want to encourage you to practice cutting at home with your preschooler. We will go over more information about fine motor skills (such as cutting) on Wednesday at conferences.

## Misc. Info.
