Bible Story

Our Bible story this week was from Exodus 20. We learned how God gave the 10 commandments to Moses. I used a Moses puppet to help tell the story on Tuesday. The children were awesome listeners for Moses. You could have heard a pin drop they were so quiet and attentive. Some questions you can ask your child are: How many rules did God give Moses? (10) What were the commandments written on? (Stone Tablets) Is it easy to follow all the rules? (No) Why did God give us the commandments? (Because he loves us and knows what is best for us)

Focus Letter

This week's focus letter was the letter 'K'. We learned that koala, king, key, kite, kangaroo and karate all begin with 'K'.

Peacock Road Tree Farm Field Trip

We will meet at the farm at 8:45am. Please be prompt. You will also need to dress for the weather!! Hats, gloves, boots, snow pants and warm coats are a must. We will be outside a lot of the time. We will also be making a holiday evergreen swag with the children. Each adult and child will be making one to take home. The field trip should take about 2 hours. Parents are welcome to stay after the guided field trip is completed to explore the farm. There is a Christmas store on the farm that you may want to visit.

Art

We were very busy this week making two different kinds of turkeys. One turkey was made by painting a flowerpot and adding fabric leaves for tail feathers.

The second project focused on fine motor skills. The children used fancy toothpicks to create a potato turkey. The children enjoyed this activity. We also did some footprint painting for a future project. We were busy doing art this week.

Christmas Store

We will be having our Christmas store the week of Dec 8th. If you would like your child to participate in this opportunity to purchase gifts for loved ones please be on the lookout for the form coming home next week.
