JANUARY 29TH, 2015

## Bible Story

Our Bible Story was from Mark 10:46-52,  
Jesus Heals A Blind Man

Some questions you can ask your preschooler are: Where was the blind man at? (He was on the side of the road) What was he doing? (Begging, asking for money or food) What was Bartimaeus saying? (Jesus, Son of David, have mercy on me) What did the people say to him when he was calling out to Jesus? (They told him to be quiet and not bother Jesus) What did he do when they told him to be quiet? (He yelled louder to Jesus) What did Jesus do when he heard him? (He stopped and said, "Call him. Bring him over here.") What did Bartimaeus do? (He threw off his cloak and jumped up and went to Jesus) What did Jesus say to Bartimaeus? (What do you want me to do for you?) What did Bartimaeus say to Jesus? (Heal my eyes so I can see!) What did Jesus say to him? (Go your way. Your faith has made you well) Immediately Bartimaeus did what? (He opened his eyes and he could???) (See) After Bartimaeus was healed what did he do? (He became a follower of Jesus!)

## Winter Sports

We wrapped up learning about winter sports this week. The children learned about hockey. They even got to try on hockey gear. They had fun putting on the pads, jersey, gloves and helmet. They learned it takes time to put all the protective gear on to stay safe when playing this sport.

## Preschool Enrollment for 2015/16

Preschool Enrollment for currently enrolled children/families and church families will begin! Letters were sent home last week. If you have any questions about enrollment please let me know!

We will open up enrollment to the community on February 9<sup>th</sup>.

## Lutheran Schools Week Family Movie

We will wrap up Lutheran Schools Week with a family movie which will begin promptly at 6 pm on Friday! The movie will be the Disney Movie "The Emperor's New Groove"

Please remember that the theater (gym) is an electronic free zone for the movie! We want families to be able to spend uninterrupted time together! Our class is responsible for bringing sweet treats.

## Focus Letter 'Y'

Our focus letter this week was letter 'Y'.

We learned the sound that 'Y' makes and that the following words begin with 'Y': Yak, yellow, yo-yo, yogurt, yoga, and yarn.

We also practice whole body writing the capital and lowercase letter each day.

## Art

We were busy creating this week. We used different colored noodles to collage with. We practiced using small/little dots of glue instead of puddles. We used cookie cutters and paint to make prints. There were capital 'Y's' to paint at the easel and then cut out. The children also had the choice of painting an ice skate shape at the easel this week. We started our Valentine art on Wednesday too. Mr. Sperry painted the children's arm and hand to make a valentine tree. Once they cleaned up from this they used heart cookie cutters dipped into paint to decorate their tree. They enjoyed all of the art activities this week!

### New Winter Songs

The words to some of our winter songs we use will be going home this week. We have started acting some of them out and the children love the chance to have a part. They are getting more and more comfortable taking on the different roles. You should be very proud of them!

### Next Week

**Bible Story = Jesus Feeds Five Thousand**  
**Focus Letter = 'L'**  
**Theme = Love and Friendship**

## Puppet Fun

This week the children helped retell the Bible story with puppets. They did an awesome job and some of the children even remembered their parts the next day! Great job preschoolers! I have posted some pictures on the website.
