## ZACCHAEUS

This week we learned about Zacchaeus. Some questions you can ask your preschooler are: What was Zacchaeus's job? (He was a tax collector) Did Zacchaeus take only the money he was supposed to? (No) Did the people like Zacchaeus? Why did Zacchaeus climb the tree? (He wanted to see Jesus) What did Jesus say when he got to the tree? (Zacchaeus, you come down from there for I am going to your house today) After Jesus talked to Zacchaeus at his house what did Zacchaeus decide to do? (Give back the money he took from the people plus 4 times more)

### Next Week's Theme & Bible Story

Theme: Worms & our favorite Bible Stories

### Bring a Worm To School Day Tuesday!

Students are asked to bring a worm to school on Tuesday! They will be doing lots of fun activities to learn more about worms and what better way than to bring one to school! God made these wonderful creatures and the children will learn loads of fascinating facts. We will have worm races and paint with worms too! (Rubber ones of course) I look forward to loads of fun on one of my favorite preschool days!

The children wrapped up learning about insects this week. They each drew a picture of an insect and labeled what insect it was and these are hanging on the gym doors to help decorate for the talent show. They also used magnifying glasses to examine our plastic insects that were in the sensory table. We also had an unexpected visitor on Thursday. Ask your child about the visitor! Here is a hint: God made him and he had many, many, legs!  
We also had lots of fun with plastic bags and some yarn outside. Check out the facebook page at St. Peter Lutheran Church Preschool to see some great photos.
