Our Bible Story in Review

This week we learned about Moses and the burning bush. Some questions you can ask your child are: "Who was speaking to Moses?" (God) "Where was his voice coming from?" (A burning bush) "What did God ask Moses?" (Help my people) "Did Moses think he could help?" (No) "What did God tell Moses when he thought he couldn't do what God wanted him to do?" (He said, "I will help you") Next week we will be learning about how Moses helped the Israelites cross the Red Sea.

Bible Story

This week the children had a special visitor to tell them the Bible story for the week. He was a big hit and the children listened so well to him tell 'His' story about what happened when Jesus spoke to him from a burning bush. Ask your preschooler who came to tell the story this week.

Last Call for Wreaths!!

Wreath orders and \$ are Due on Monday.

Our focus letter was letter 'D'.

We looked at our focus letter picture and poem to learn that dog, Dalmatian, dominoes, dish, dahlia, duck, and donut are all 'D' words.

Small Group

During one small group this week the children worked on colors and shapes with an Oreo Cookie shape game that is much like Memory. They also played a turtle color game to work on their color recognition and identification.

Peacock Road Trees For Troops Field Trip

We will be visiting Peacock Road Tree Farm to participate in the Trees for Troops program. We will be purchasing a Christmas tree to be given to a military family for the holidays.

Our trip is planned for Tuesday, December 1st, at 9:00am.

A note about the trip and a permission slip was sent home early this week. Please return permission slips and adult pmt. next week.

Art

We began working on handprint turkeys this week. We also added letter 'D' to the easel paper for children to paint.

Our open art area had new die cut shapes and stencils added to the supplies children can select to use daily during free play.
