The Battle of Jericho

Our bible story came from Joshua 6.

The following are some questions you can ask your preschooler about the story:

Who promised Gods people the land in Canaan and Jericho? (God did)

When the people of Jericho saw Gods people coming what did they do? (They locked up the city gate and prepared to fight)

What did God tell Joshua to do? (March around the city once a day until the 7th day)

What did God tell them to do on the 7th day? (March around the walls 7 times then blow their trumpets and shout)

What happened when they did what God told them to do on the 7th day? (The walls of Jericho fell down flat)

How did the people of Israel feel when this happened? (They loved God and promised to serve him always)
